A comfortable central living area with a bedroom & bathroom on either end, this 2 bed, 2 bath home is well suited for any age. If you only need one bedroom the oversized second bedroom would make a nice hobby room or space for those that work from home. The enclosed nicely finished mud room is spacious enough for guests to enter and still offer plenty of space for extras such as your freezer. Low maintenance yard, wrap around covered deck with a peak a boo view and a 12 x 16 insulated workshop with power and a ceiling access to attic, great place to tuck away some seasonal items.
