
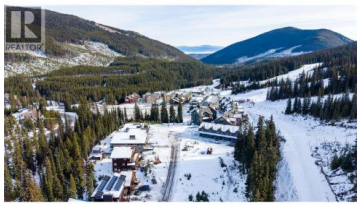
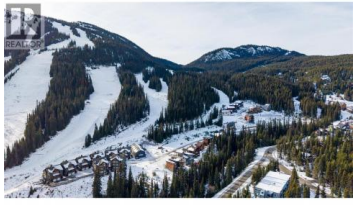
284 Creekview Road Apex Mountain British Columbia

Penticton Apex

$449,000





Your next mountain retreat awaits your creative ideas. With this blank canvas your dream Apex getaway is just around the corner. Your next recreational home could be on the market's most sought-after parcel at Apex Mountain Resort. This expansive, 0.18-acre lot sits on a true ski-in/ski-out just above the village along Grandfathers Trail providing unparalleled access to the slopes. The zoning supports single-family or duplex builds. The property is fully serviced, sewer, water, underground power, metered propane, paved roads, and storm drains. There's ample space to add a garage for storage and parking and toys. The Apex community is thriving and you could build on this very desirable lot. Whether you're envisioning a personal retreat or a shared project with family or friends, this location delivers convenience and lifestyle. Ski right from your door or take a short stroll to the village for meals at Gunbarrel or The Edge after a day on the slopes. Call the listing agent for more information today. (id:6769)
