Lakeview Heights

**\$4,250,000**

An architectural residence defined by timeless design, meticulous craftsmanship and one of Lakeview Heights' most remarkable settings - set behind a private gate on 0.9 acres with panoramic lake views and unparalleled privacy. Designed by an award-winning designer and built over 3 years, the nearly 4,500 sqft residence offers 5 beds + den/ 4 baths. A soaring 28 foot entry, floor-to-ceiling German Fenster Tech tilt-and-turn windows, chevron white oak hardwood floors and a dramatic cantilevered living room create an unforgettable first impression. The showpiece kitchen is appointed with Wolf, Bosch and Liebherr appliances, including a 6-burner gas range, double wall ovens, two dishwashers, built-in coffee machine, wine fridge and a full butler's pantry. Nano doors open to one of three private decks with overhead heaters and a natural gas hookup for effortless indoor-outdoor living. The primary retreat features a private patio, spa-inspired ensuite with heated floors, a Japanese soaker tub, curbless rain shower, dual vanities and private laundry. Additional highlights include a home theatre with access to a hidden office, four-stop elevator, putting green, premium mechanical systems, integrated smart home technology, a motorized and voice activated gated entry, and an oversized heated garage with epoxy floors, car lift and EV rough-in. Moments from wineries, beaches, shopping a...
