Naramata Rural

\$4,398,000

Unique opportunity to buy a home, investment property, business & vineyard all in one! This stunning 10 acre property is perched along the renowned Naramata Bench with breathtaking lake views, 3 acres of mature vineyards, 2 detached homes, 5 agri-tourism vacation rental suites, plus a large space for a variety of commercial purposes with room to expand in the future. The remodelled 2 bed rancher is perfect for an owner operator or staff accommodation. It features panoramic views, large outdoor patio, full-height unfinished basement and mature gardens & vineyard. The stylish and modern 1 bed guest cottage currently operates as a licensed AirBnB generating ~\$80k/year with nothing but 5 star reviews. The 6500sqft outbuilding and agri-tourism suites are about 80% complete - the new owners can customize to suit their personal style and use case. The remaining ~3500sqft commercial space currently contains a finished office, staff kitchenette, gown-up area with 2 bathrooms, shower & hamper room, shipping/receiving, processing room, and storage rooms. This space would suit a variety of purposes including indoor vertical grow production and workshops (all to GMP specifications), commercial kitchen for workshops & events, wellness or yoga studio, spa, etc. There is also potential to add a 6000+ sf rooftop patio which would be a dream location for an event venue, gazebo, sauna, and out...
