

1000 Mt Robson Place 29 Vernon British Columbia

Middleton Mountain Vernon

\$774,900

Offering stunning Kalamalka Lake views from all three levels, this turnkey townhome in the sought-after Infinity complex delivers modern living in a fantastic location. With direct access to Middleton Mountain trails and just minutes to Kal Lake, outdoor lifestyle is right at your doorstep. The entry level features a spacious double garage and welcoming foyer. The main floor is bright and open, with large picture windows framing the views. The kitchen showcases quartz countertops, white cabinetry, stainless steel appliances, and a large island, flowing into the living area with a modern electric fireplace. Step onto the front deck with power sunshade for added comfort and privacy. A bedroom and full bathroom complete this level. Upstairs, the primary suite offers breathtaking lake views, a walk-in closet, and a spa-inspired ensuite with double sinks, glass shower, soaker tub, and quartz counters. A second bedroom with its own ensuite, upper-level laundry, and access to the rear patio adds flexibility. Backing onto parkland and perched above surrounding homes, this property offers privacy, scenery, and low-maintenance living. (id:6769)
