

2950 Baldock Road Kelowna British Columbia

South East Kelowna

\$6,139,900

This is a rare country estate where luxury, technology, and lifestyle converge in one of SE Kelowna's most desirable rural settings. Spanning over 7 acres of flat, highly useable land an increasingly scarce feature in this coveted area. Offers exceptional potential for additional structures or a refined equestrian lifestyle. Privately set with a serene Park like setting the property is surrounded by mature landscaping and tranquil ponds that create a peaceful, secluded atmosphere while minutes from Kelowna amenities, vineyards, and Mayra canyons extensive trail network. Custom built Tuscan inspired residence offers over 9000 ft.² with 7 bedrooms and 7 bathrooms the home blends timeless architecture with modern sophistication elevated by cutting edge, smart home technology with fully integrated control of lighting, climate, security and entertainment. Designed for indoor/outdoor living entertaining or relaxing this home features expansive patios, fireplaces, A/V, fully equipped outdoor kitchen, 20 x 40 saltwater pool. The main residence offers 4 bedrooms, including a hotel inspired primary with a spa like en suite. A separate fully self contain living space provides flexibility for multi-generational living or guests. Private entrance additional bedrooms, bathrooms, oversize garage, and a private patio. Completing the estate is a detached 25 x 40 shop, horse stable, paddoc...
