

Mission Creek

**2990 Dunster Road Kelowna British Columbia**

South East Kelowna

**\$6,300,000**

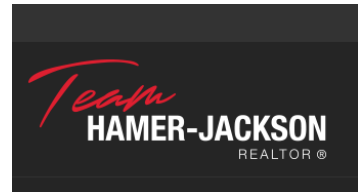

Discover a truly unique opportunity to own a private, breathtaking property in the heart of Kelowna. Spanning over 27 acres, this exceptional estate offers panoramic city and lake views, stretching across approximately 3,000 sq. ft. of prime land. Bordering the tranquil Mission Park Greenway, this income-producing cherry and apple orchard (approximately 20 acres) is not only a beautiful investment, but also an impressive source of annual profit—request the information package for full details. The main residence, a renovated farmhouse, offers 4,400 sq. ft. of luxurious living space, complete with a large concrete pool for ultimate relaxation. Additionally, the property features a versatile 2,200 sq. ft. outbuilding with a suite and five garage doors, providing endless possibilities for use. This premium orchard and prime location offer the perfect canvas for your dream home, with sweeping views of the city and lake, making this a once-in-a-lifetime opportunity to invest in both lifestyle and income.
