Experience elevated Okanagan living in the highly sought-after Lakestone community—offering resort-style amenities, stunning natural surroundings & an unmatched lifestyle. This beautifully designed semi-detached home blends style, functionality & comfort. The main level features light oak wide-plank flooring, vaulted ceilings & an open-concept living area with an electric fireplace. The timeless white kitchen includes soft-close cabinetry, a stainless steel farmhouse sink, large island, walk-in pantry with built-in wine fridge & direct access to a large covered patio with auto-blinds for sun shade & privacy while soaking in peaceful mountain views. The primary suite offers a walk-in closet & a spa-like ensuite with a soaker tub. A laundry area with a sink & ample storage sits just off the entry. Downstairs, you'll find a spacious family room with walk-out access to a second covered patio, two bedrooms with built-in closet organizers, a full bath with double sinks & a generous storage room. There's also potential for a home office or flex space. Additional features include a smart thermostat, upgraded HVAC & a quiet setting. Residents of Lakestone enjoy exclusive access to The Lake Club with a pool, gym, hot tubs, outdoor kitchen & lake access, PLUS The Centre Club with pickleball & tennis courts, yoga studio, and more. Over 25 km of trails connect the community to parks, gr...
