

Whitehorse Yukon

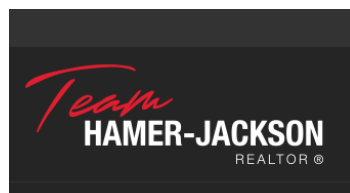

\$499,000

Attractive Whistle Bend End-Unit Condo. Offering 3 spacious bedrooms, this 1,550sqft home features 9' ceilings, an electric fireplace, stylish maple cabinetry, soft close drawers, vinyl plank flooring, electric heat, and improved insulation. The main floor is designed with an open concept living area, dining area, and kitchen, along with deck access. The well-lit kitchen includes a large island and a pantry with auto lighting. There is also a half bathroom and full-door access to the 4' crawlspace on this level. Upstairs houses all three bedrooms. The Primary features an ensuite bathroom with double sinks. A second full bathroom and the laundry room with storage are also conveniently located on this level. The property has a double concrete parking pad in front and a private, fenced yard in back. This is a quality build inside and out. Call to book a viewing. (id:6769)
