Welcome to GableCraft in the Mission, a premier, no-age-restriction community where true architectural distinction meets the ease of bare-land strata living. Built specifically for owners who demanded uncompromising, higher construction standards from the builder, this exceptional townhouse features superior craftsmanship, structural integrity, and upper-level finishes throughout. Every interior detail reflects an elevated commitment to long-lasting quality. Tucked away on a quiet, inside lot, positioned directly beside the neighborhood water feature park, this unique setting offers unbeatable tranquility. The rare location provides maximum privacy, giving you the benefit of having only one shared neighbor beside you. Inside, the bright, open-concept floor plan showcases soaring high ceilings, expansive windows, and a gourmet kitchen equipped with premium custom cabinetry, and a grand center island tailored for effortless hosting. The primary bedroom serves as a peaceful retreat, while the secondary bedroom is situated on the far side of the layout to ensure privacy for guests or family. Rare for complex living, this home includes parking for four vehicles, thanks to an attached double garage & two private driveway spaces. Perfectly situated in the heart of Kelowna, you are just minutes away from beaches, boutique shopping, fine dining, golf courses, and scenic Mission Creek...
