

Whitehorse Yukon

\$457,000

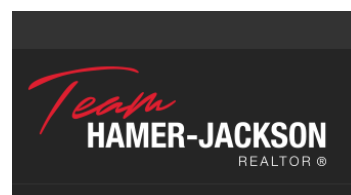

Practical layout. Adaptable spaces. Connected location. This 3-bedroom, 2-bathroom townhouse condo offers approximately 1,740 sqft across two well arranged levels. The main floor begins with a spacious entry and features a generous primary bedroom with double closets and a large window overlooking the common green space. A well-sized second bedroom offers flexibility for family, guests or a home office, while a shared 4-piece bathroom and full laundry/utility room complete the level. Upstairs, the open living and dining area connects to the raised balcony, an ideal spot to unwind at the end of the day. A galley-style kitchen provides ample room for multiple cooks, while a third bedroom and 3-pcs bath round out the upper floor. Two powered parking stalls, pet-friendly and rentals permitted within the condo corps guidelines. Conveniently located near transit and neighbourhood amenities, this is a spacious option for first-time buyers, families or shared living arrangements. (id:6769)
