Country Residential Alert! 3 Langholz Road in Wolf Creek! Nestled on a private 2.63-acre lot, this well-crafted 4-bedroom, 2.5-bathroom home spans over 2,600 sqft, offering open-concept main floor living with distinguished fir hardwoods, multi-height ceilings, and a spacious kitchen with rich merlot cabinetry and granite counters. From the adjoining dining area, garden doors lead to an expansive raised deck, perfect for outdoor living and summer gatherings. A versatile 4th bedroom or office with vaulted ceilings and a 2pc bathroom completes the upstairs. The lower level showcases a primary suite with sitting area, 3pc ensuite, and garden doors, two additional well-sized bedrooms, a bonus second living space, a 4pc bathroom, laundry zone, and cold storage room. Outside, enjoy a landscaped yard with fire pit, greenhouse, multiple outbuildings and dog run. Well-maintained wood siding, metal roof, newer septic system, drilled well, propane and wood heating, country roads, take me home! (id:6769)
