Predator Ridge

\$719,000

A Corner-Unit Masterpiece at Predator Ridge. #30 at 333 Longspoon Drive represents the gold standard of Predator Ridge townhomes. This isn't just about the 1,885 sq. ft. of designer space; it's about the invisible luxuries that redefine year-round comfort. Experience the ultimate in climate control with a brand-new, high-efficiency boiler (2024) providing on-demand hot water and indulgent in-floor heating throughout the basement, all four washrooms, and--rarely seen--the double garage. The three-level floor plan offers three bedrooms and four bathrooms, bathed in natural light thanks to its prime corner orientation. Practicality meets luxury at every turn: The laundry facilities are strategically placed near the bedrooms, while the heated double garage ensures your vehicles and golf cart are ready for any Okanagan season. With a versatile lower-level flex room, there is dedicated space for every guest, a home gym, or a private media retreat. Beyond the walls, your strata fee unlocks a lifestyle of privilege. Enjoy full access to the elite fitness centre and pool, alongside exclusive resident discounts at the resort's world-class restaurants and championship golf courses. Living here means more than just owning a home; it means being part of a meticulously managed community where your only job is to enjoy the perks. Exempt from BC's Speculation Tax, this is more than an inves...
