Checking Every Box, this 4-bed, 4-Bath 2-Storey with finished basement is a Must See! Soaring ceilings and a substantial staircase welcome you into the home. The kitchen features quartz counters, extended cabinets, centre island with seating, and walk-through pantry. The living room has a gas fireplace & enjoys a treed view. The ample dining room leads to the deck and backyard. A mud room with custom built-ins accesses the 24x23 heated and finished garage which has Hot and Cold water. A den/flex room and 2-pc bath complete the main level. Upstairs, the spacious primary suite features a 5-pc ensuite with Kohler massage tub & double sinks, as well as a walk-in closet. The upper level includes two more beds, laundry, 4-pc bath and large bonus room, perfect for watching movies with the family. The finished basement offers a family/rec room, exercise nook, 4th bedroom and 3-pc bath. The beautifully landscaped yard with in-ground sprinklers backs trees and a park. Situated in Heatherglen, close to the Tri. (id:6769)
