3011 Durham Road. This extraordinary custom lakeshore home sits peacefully at the end of a quiet street, surrounded by forest and water, offering incredible west- and north-facing lake views. Built in 2005, this unique 3-bedroom, 3-bathroom home was thoughtfully designed with vaulted ceilings and expansive windows to fully capture the lake outside your windows and create the indoor-outdoor living. A partially covered wraparound deck extends along the lake-facing side of the home—perfect for enjoying the serenity of Shuswap Lake throughout the seasons. Set on a 0.77-acre lot, the property includes both a detached double garage and an attached garage, providing ample storage and parking. The timber-framed entrance adds character and covered access, while the open-concept interior features stone countertops centered by a natural gas stone fireplace. The low-maintenance yard is landscaped with a concrete patio near the water's edge, creating a perfect space for lakeside enjoyment. An ideal year-round home or luxury lakefront getaway, just minutes from the amenities of Blind Bay and Sorrento. All measurements have been taken from Matterport.
