Some places just feel like a permanent vacation. Steps from the sandy shores of Skaha Lake, this beautifully maintained top-floor suite puts one of the Okanagan's most beloved beaches right outside your door with morning walks along the water, lazy afternoons in the sun, and long evening strolls along the channel path. Inside, the condo shows as well as it lives. Bright and open, with south facing light filling the space all day, the updated kitchen features quartz counters and stainless appliances flowing into a comfortable dining and living area warmed by a gas fireplace for those cooler evenings. The newly renovated main bath with a walk in shower is crisp and modern, and a generous laundry room adds the everyday practicality that makes this work equally well as a full-time residence or a low-maintenance Okanagan getaway. Step out to your south facing deck with your morning coffee, enjoy your gas BBQ hookup ready for warm evenings with friends.
