Enjoy the convenience of downtown Kelowna living without being in the centre of its busiest core. Located in Executive House, a professionally managed concrete-and-steel building, this immaculate & bright west-facing corner condo offers Scandinavian-inspired style, two bedrooms and 1.5 baths. The galley kitchen features updated countertops & new dishwasher, with sightlines into the dining area and an open connection to the living room. West-facing windows bring in abundant natural light, while tile flooring throughout the kitchen, dining room, living room and hallway is complemented by beautiful real-wood parquet flooring in both bedrooms. From the dining area, step onto a spacious patio with room for comfortable seating and plants while enjoying city views. Both bathrooms have newer toilets & vanities, and the bathtub has been reglazed. Thoughtfully designed storage in the hallway and bedrooms makes this suite exceptionally functional, with the added benefit of a large double-door storage locker on the main floor. Executive House offers an outdoor swimming pool, gym & a secure underground parking stall. An additional parking stall may be available to rent. Recent building improvements include newly modernized elevators, an upgraded security system and lobby updates currently underway. Long term rentals allowed. Pets are not permitted. Downtown, the waterfront, local cafes &...
