Stonebridge 304 is one of the nicest condo properties on the hill. It overlooks the main ski run through the village, truly feeling like you're living in a postcard moment. Look out the window and watch the kids come down bumpy alley. This 3rd floor corner unit enjoys a huge second bedroom making it perfect for larger families. The strata is in excellent shape and the building offers the prime location right in the heart of the village. The boot room is easy to access and the outlook from inside the unit is amazing and private. A private hot tub faces the sunset as you watch the skiers go by.....the dream is here. GST is applicable. All furniture is included. (id:6769)
