

## 1445 Halifax Street 309 Penticton British Columbia

Main North

**\$432,900**

Top Floor Corner Suite with Lake, City & Mountain Views - Beautifully Updated 2 Bed, 2 Bath Enjoy the best of both comfort and style in this stunning top-level corner unit, offering panoramic lake, city, and mountain views from every room. This bright and airy 2-bedroom, 2-bathroom home is move-in ready and showcases thoughtful upgrades throughout. Step inside to find engineered hardwood flooring, designer lighting, and a cozy gas fireplace with remote control. Stay comfortable year-round with a thermostat-controlled air conditioner. The open-concept living space is perfect for entertaining, with a brand new kitchen featuring quartz countertops, added cabinetry around the island, and plenty of room for gathering. Both bedrooms are strategically placed on opposite ends of the unit, offering excellent privacy for guests or roommates. Built-in cabinetry in every closet and the laundry room keeps everything organized and clutter-free. Updated bathrooms feature elegant ceramic counters, and the attention to detail shines in every room. Located in a quiet, extremely well-maintained building just minutes from the hospital and shopping. Strata fees include contributions to a strong reserve fund, with future modernization and renovations already in planning--giving you long-term peace of mind. This is elevated condo living at its finest. Don't miss your opportunity to own this remark...
