\$850,000

""Living at Ariva means a higher quality of life, where the desire to leave doesn't exist since you really have it all. This beautiful new development is a true gem, offering a 'lock and leave' lifestyle just a short walk to Lake Okanagan. Here, luxury meets an unbeatable location. The outdoor space in this unit in particular is truly amazing: over 1000 sqft of patio space with a fire pit, overhead heater, and outdoor kitchen, all boasting expansive lake and valley views. It will make you forget you're in a condo. Don't settle for a tiny condo; they aren't making them like this anymore! This home truly has it all, allowing you to move freely. Discover a very spacious and open floor plan with two beds and a large den (which could almost be another bedroom), and three bathrooms sprawling across over 1500+ sqft. Enjoy exceptional higher-end finishings, including a premium appliance package, waterfall edge countertops, a wine fridge, and the outdoor kitchen. There is abundant storage space and a full-sized laundry room. Ariva also offers an exceptional amount of great amenities and a fantastic sense of community. There is an office area, fitness room, pool, and pickleball courts. All of this is just minutes to the city centre, lake, shopping, and restaurants. Ariva redefines condo living, offering an unparalleled blend of sophistication, comfort, and convenience."" You must see ...
