

3135 Edes Road Salmon Arm British Columbia

SE Salmon Arm

\$979,900

3135 Edes Road debuts on the MLS for the first time, offering a rare 3.21-acre heritage estate that perfectly balances historical charm with immediate income potential. At the heart of this expansive property is a 2300+-square-foot character farmhouse built in 1918, featuring six spacious bedrooms and four bathrooms. While the home retains its timeless ""bones"" and serves as a magnificent canvas for restoration, it has been thoughtfully updated with a brand-new furnace and fresh paint throughout, ensuring comfort while you bring your vision to life. The utility of this acreage is unmatched, featuring a 30x30 shop complemented by an attached, renovated suite that currently generates \$1,000 per month. Adding to the property's incredible ROI is a separate mobile home on-site, providing an additional \$1,500 in monthly rental income. This \$2,500 total monthly revenue offers a significant hedge against mortgage costs while you enjoy the pastoral lifestyle. The grounds are a gardener's paradise, boasting established fruit trees and ample space for sustainable living, all situated less than 15 minutes from the amenities of downtown Salmon Arm. Whether you are looking for a multi-generational family compound, a high-yield investment, or a private acreage with a head start on modernization, 3135 Edes Road is a standout heritage opportunity.
