Lakeview Heights

# \$1,625,000

Some homes simply feel different the moment you arrive. 3137 Vector Drive is one of them. Positioned on a generous 0.46-acre lot in a quiet Lakeview Heights cul-de-sac, this beautifully renovated home with many system updates offers 6 bedrooms and nearly 4,600 sq. ft. across three levels, including a fully self-contained three-bedroom in-law suite opens the door to multi-generational living, hosting guests in style, or generating income. Sweeping lake views, soaring vaulted ceilings, warm ash hardwood floors, and expansive windows create bright, inviting spaces that naturally bring people together. At the heart of the home, the chef's kitchen with custom cabinetry and a striking granite island is perfectly suited for quiet morning coffee or lively evenings with friends that spill effortlessly onto the deck. Outdoor living is woven into the experience here. Three expansive decks with sleek glass railings frame the lake from multiple vantage points. The upper loft offers a unique architectural haven with its own bedroom, powder room, lounge space, and wrap-around balcony -- a private perch above it all. Downstairs, the fully self-contained three-bedroom suite features its own kitchen, laundry, furnace, and hot water tank -- seamlessly integrated while still offering privacy. Outside, the pool-sized yard feels like a private retreat framed by mature cedars, fruit trees, gardens...
