

St. Albert Alberta

Jensen Lakes

\$579,900

This exquisite home in the exclusive community of Jensen Lake features 3 generous bedrooms and 2.5 beautifully appointed baths. An open concept large living room with a fireplace, a modern kitchen with a large island, quartz countertops, a pantry, and sleek stainless-steel appliances, spacious dining and vinyl plank flooring completes the main floor. Second floor features family room which provides a perfect blend of comfort and style with plush carpet flooring, high blinds on all windows, and a fully fenced yard, no detail has been overlooked. A separate basement entrance, with concrete sidewalk from the front of the house leads a large 12x18 feet concrete pad, and side walk to the double detached garage, concrete edging on the front and backyard complete this impeccable home--truly, no expense spared (id:6769)
