Welcome to the highly sought-after Mara Landing, where you'll feel like you're on vacation the moment you arrive, surrounded by lush, mature landscaping and beautifully manicured grounds. This 2-bedroom 2 bath end unit faces West with views over the pool and out to the lake. A 30' deep-water boat slip is included, adding exceptional value to owning in Mara Landing. The unit also comes with covered parking, spacious enough to store your boat during the off-season. Plus, the building features an elevator for easy access, whether you're carrying groceries, luggage, or accommodating guests with mobility needs. Enjoy privacy in this prime location, with direct on-grade access from your patio to the pool, hot tub, and dock.
