

Whitehorse North Yukon
\$799,900

9.88 Acres, 3 homes, drilled well, solar panels, wood stoves and just 45 min from Whitehorse in Mendenhall. The larger house has a wood stove upstairs, fantastic views of the mountains and is 1,988 sq ft with 4 bedrooms and 3 full bathrooms. The house has luxurious finishes, including granite countertops, engineered hardwood, a dual-filtered water system, 32 solar panels and a 2-camera security system that can be accessed on your phone. The rancher-style home is 1,147 sq ft, with 1 bedroom and 1 bathroom, and a centrally located wood stove to keep you toasty warm all winter. The kitchen has a new fridge and a large kitchen island with a granite countertop that is open to the living room. The dry cabin has a propane range, a wood stove, new flooring and paint, plus a chicken coop, a dog pen, and an outhouse. (id:6769)
