RE/MAX Kelowna
100-1553 Harvey Avenue
Kelowna, BC,
Canada

This stunning architectural home is situated on a secluded 1.46 acres - a completely unique offering utilizing design to maximize the feeling of serenity, all within 10 minutes of Downtown Kelowna, and a short walk to Knox Mountain. Over 3,600 square feet of thoughtful design welcomes you with three bedrooms, three bathrooms, and a gorgeous office. The expansive flat back yard has the perfect setting for a pool, cabana, and more. You will be struck by the incredible great room, boasting expansive windows and wood beam ceilings, with a cozy gas fireplace. The kitchen has updated custom cabinetry, accented by high end appliances, lighting, and a temperature controlled wine alcove. Upstairs are three beautiful bedrooms including the primary wing, all with their own patios. The expansive primary suite is a true retreat, with extensive windows, and a bright and welcoming ensuite, and a beautifully appointed walk-in closet with custom cabinetry. Downstairs is a flexible recreation room, perfect for movie nights, a gym, etc., plus a spacious
