Perched above Okanagan Lake in the prestigious Vineyard View community, this custom build by Ridgeroc Homes is sure to elevate your Okanagan living experience. Imagine waking up to easterly sunrise views of Okanagan Lake and the surrounding mountains, as you soak in all the sun from your private deck off your primary bedroom. With a magazine worthy ensuite and deluxe walk-in closet, totalling just shy of 500 sqft, this bedroom retreat takes up most of this wing. Down the hall you will find your dream kitchen, complete with high end Jenn Air appliances including a 6 burner gas stove, and butler's pantry with exterior entry for ease of caterer access. The warm and cozy living room provides you the opportunity to further enjoy the flood of natural light, with its gas linear fireplace clad in floor to ceiling tile, further accentuated by warm wooden accents. Open the double wide doors out to your covered deck to blend indoor and out, seamlessly. With two additional bedrooms on this level, the layout is functional for young families and empty nesters alike.
