\$999,900

Waterfront living at Lakehouse Summerland, an exclusive lakeside community perched along the shores of Okanagan Lake. This beautifully designed 3 bed, 3 bath residence blends contemporary architecture with refined finishes inspired by the natural tones of the Okanagan landscape. The main level is designed for effortless living and entertaining, where soaring ceilings and large windows fill the open-concept living and dining areas with natural light while framing lake and mountain views. A modern gas fireplace anchors the living space, while the chef-inspired kitchen features sleek flat-panel cabinetry, engineered stone countertops, a contrasting wood-tone island and premium Fisher & Paykel appliances. Sliding doors extend the living space to a patio with a built-in BBQ, perfect for outdoor dining and relaxed summer evenings. All bedrooms are thoughtfully located on the upper level, creating a private retreat away from the main living spaces. The primary suite offers lake views, custom closets and a spa-inspired ensuite, while two additional bedrooms and a full bath provide comfortable accommodation for family or guests. Residents enjoy resort-style amenities including a pool, hot tub, beach access, fitness centre and lounge deck, just minutes from wineries, golf and Penticton. (id:6769)
