Lower Mission

\$729,900

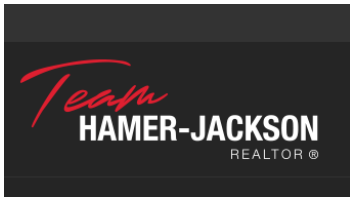

Welcome to Brighton in Kelowna's Lower Mission, where thoughtful design meets one of the city's most desirable neighbourhoods. This 3-bedroom, 3-bathroom townhome offers a refined take on everyday living, with clean lines, quality finishes, and a layout that just works. The main floor is bright and open, with large windows and a seamless flow between the kitchen, dining, and living spaces. The kitchen is both functional and elevated, featuring quartz countertops and stainless steel appliances—designed for both quiet nights in and easy entertaining. Step outside to your private fenced yard, a comfortable extension of the living space and a rare feature for this style of home. Upstairs, the primary suite feels like a proper retreat, with a walk-in closet and a well-appointed ensuite with double vanity. Two additional bedrooms and a full bath provide flexibility without compromise. A tandem garage adds convenience and storage, while the location puts you just minutes from the lake, trails, and everything that makes the Lower Mission so sought after. (id:6769)
