YOUR RETREAT. YOUR ADVENTURE. Beautiful curb appeal, an inviting paving-stone driveway and attractive rock walls welcome you to this custom-built 2022 rancher in Phoenix Estates. Set on a private 0.49-acre lot in Adventure Bay, the home offers a special Okanagan lifestyle perk: access to the residents' private community beach area, a place to unwind by the lake and make the most of sunny days. Inside, hickory engineered hardwood flows through the main level, where a kitchen with island connects to a living room opening onto a spacious balcony. The primary suite includes a walk-in closet and five-piece ensuite, while a second bedroom, full bathroom and laundry make everyday living easy. Downstairs, a third bedroom, den and generous recreation areas offer room to spread out, with finishing touches still to complete. An ICF foundation, natural gas forced-air heating, two electric fireplaces, paving-stone patios and an attached oversized double garage to complete this inviting retreat. (id:6769)
