\$849,900

Large and in charge in Copper Ridge! This 2,760 sqft bi-level delivers space, flexibility, and a layout that works. Upstairs offers a bright living and dining area with vaulted ceilings. The kitchen is well set up, with loads of cabinetry, a full pantry wall, and direct access to the raised deck overlooking the fenced and landscaped yard with mountain views. The primary bedroom features a walk-in closet and full ensuite, while two well-sized secondary bedrooms and a 4pc bath complete the level. Downstairs, the fully finished walk-out basement provides a massive family room with wet bar and direct access to the ground-level deck, ideal for entertaining, family fun or future suite potential. Two additional bedrooms and a full bath complete the lower level. Double attached garage, concrete drive, loads of parking. Recent upgrades include flooring, paint, propane furnace, roof, eaves, downspouts, and smart home features. Big home, smart layout, with flexibility built right in. (id:6769)
