Smith Creek

**\$1,800,000**

Set on 8.9 acres of flat, usable land in the desirable Smith Creek area of West Kelowna, this rare ALR-zoned property offers a unique opportunity for multigenerational living or a hobby farm lifestyle just minutes from town. The original 1977-built home is solid and well maintained, offering approximately 2,800 sq ft with 6 bedrooms and 4 bathrooms, providing ample space for extended family or flexible living arrangements. A standout feature of the home is the integrated indoor pool, surrounded by windows that flood the space with natural light and create a year-round recreational retreat. The pool is currently drained, offering a blank slate for the next owner to restore or reimagine the space to suit their needs. The land is thoughtfully laid out and fully usable, featuring an established apple orchard with irrigation, ideal for those looking to maintain an agricultural lifestyle. A1 zoning within the ALR supports a wide range of agricultural uses, while the property's dual driveway access enhances functionality and ease of access. Multiple outbuildings, including a shop, storage, and garages, provide excellent space for equipment, vehicles, hobbies, or farm operations. The property is serviced by municipal water with a septic sewer system. Offering space and versatility, with a subtle mountain outlook and close proximity to schools, shopping, and amenities, this is a rare...
