

3317 THOMAS Street Terrace British Columbia

\$524,900

Looking for 4 bedrooms on one floor? Look here! Don't let this cute home deceive you on size!! This 5 bdrm 1 1/2 bath home is located close to schools, trails and downtown. On a quiet street, the home sits back and is a cute as a button. There is room to have another full bath and living area in the basement. This could be perfect for a second living area for that growing family or perhaps even turned into a suite. Opportunity is there. The main floor features a large kitchen w/ plenty of cabinets, dining area & access to the covered deck w/ a hot tub. The living room has updated flooring & a new electric fireplace. Beautiful renovated main bath and laundry on this floor as well as 4 bdrms down the hall. Basement has 1 more bdrm & 2 pc bath with space for another bath & (id:6769)
