\$1,005,000

Beautiful 3 bedroom, 3 bath townhome on Dilworth. Enjoy sweeping city, mountain, and lake views from both levels. A spacious foyer with stone tile flooring and a statement chandelier welcomes you to the home. The open-concept main level is excellent for entertaining, with a seamless flow from the kitchen and breakfast nook to the living room, which offers direct access to one of the two covered patios. Large windows in the living area frame the views and flood the home with an abundance of natural light. For the chef, the kitchen features stainless steel appliances, a centre island with bar-height seating, quartz counters, and custom wood cabinetry. The main level offers a living area with a gas fireplace and mantle above, a separate dining room adjacent to the kitchen with built-in speakers—ideal for hosting—and a powder room. The generous-sized main-level primary bedroom includes a 4-piece ensuite and walk-in closet. The lower level features a rec room, two additional bedrooms with a bathroom, plus a den, storage, and walk-out access to another covered patio. The home offers a double car garage with built-in shelving and storage. Located just minutes from downtown Kelowna and excellent schools, this is an unbeatable location. (id:6769)
