Wow, this one truly checks all the boxes! Welcome to this quintessential family home, fully renovated and move-in ready, offering the perfect blend of comfort, function, and peace of mind. This split-level layout is ideal for growing families with 3 bedrooms and 2 bathrooms upstairs, plus 1 bedroom and 1 bathroom down, perfect for guests, teens, or a home office. Nearly every major component has been upgraded including roof, windows, doors, fiber-cement siding, driveway, furnace, and hot water tank. Simply move in and enjoy without the stress of costly updates. Bright, stylish, and designed for everyday living with modern finishes throughout. Located on a quiet no-thru road in a family-friendly neighborhood, this is an outstanding setting for raising children. The fully fenced and private backyard features raised garden beds and plenty of space for kids and pets. Conveniently close to schools, parks, trails, and nature. A rare opportunity to own a beautifully updated home where pride of ownership is evident throughout. Don't wait, homes like this are hard to find! (j:d:6769)
