

1560 Summit Drive 335 Kamloops British Columbia

Sahali

\$234,900

A nice south-facing top floor unit in excellent condition in this well-located, managed, maintained and regarded complex. Plenty of interior and exterior upgrades here, including exterior Hardi-plank, windows, and other exterior work. Interior upgrades to this unit include newer furnace, flooring, paint, counters, and bath upgrades. Excellent tenant in place as well! This is a great turn-key investment or first-home for the discerning buyer. All measurements approx. and should be checked if critical. (id:6769)
