Executive Luxury Living -- 6,081 Sq Ft | 5 Bed | 6 Bath. Grade-level entry with main floor living sets the tone for this meticulously maintained executive home. There are spectacular panoramic views of the lake, Mission Hill Winery and the mountains in the distance. The open-concept layout flows effortlessly across 6,081 sq ft, designed for both everyday living and elevated entertaining. The main floor features a spacious primary suite and guest accommodations, while 2 additional bedrooms sit upstairs. A show-stopping theatre room, dedicated fitness room, and a legal one-bedroom suite round out the lower level, self-contained and a great setup for Air B&B, offering flexibility for extended family or rental income. The Construction of this home has tall ceilings and 8-foot doors throughout the home. Outside, the fully fenced and low-maintenance yard delivers resort-style privacy with a secluded pool, covered patio, and hot tub. One neighbouring property means exceptional privacy that's genuinely rare at this price point. The fully finished triple-car garage, stainless steel appliances, and manicured landscaping reflect the care and quality carried throughout every corner of this home. Situated in a quiet, safe neighbourhood minutes from the beach, wine trail, top-rated schools, shopping, and parks -- this is executive living without compromise. This is a must-see in-person p...
