

336 Quilchena Drive Kelowna British Columbia

Kettle Valley

\$1,900,000

Space to Grow! The Ultimate Family Sanctuary in Kettle Valley. Located in Kelowna's most sought-after community, this residence balances high-end design with the practical needs of a busy, growing family. If you have been searching for a home where everyone has their own space without ever feeling "crowded," this is the one. Built with a modern Craftsman aesthetic, the property offers an inviting street presence while remaining warm and functional. From the grand entry, high ceilings and an open layout create an immediate sense of breathing room. The floor plan is intentionally designed for multiple children, offering a smart separation between vibrant social hubs and quiet private zones. The chef-inspired kitchen serves as the central meeting point, flowing naturally into the living areas and backyard--perfect for transitioning from playdates to upscale dinner parties. Whether hosting movie nights in the theatre room or retreating to the spa-like primary ensuite, every family member has a place to recharge. The lifestyle continues in a private backyard oasis featuring a soothing water feature and stone fireplace. While the kids enjoy the yard, you can unwind with a glass of Okanagan wine and take in the quiet surroundings of the ridge. Practicality meets luxury with a triple-car garage for SUVs and gear, all just a short stroll from top-rated schools, parks, and trails. T...
