

3361 Paynter Road West Kelowna British Columbia

Westbank Centre

\$899,900

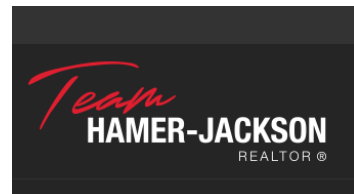

Offering flexible living space and an abundance of outdoor amenities, this 5-bedroom, 2-bathroom home is ideal for families, multi-generational living, or those seeking additional rental potential. The bright and updated main level features 3 bedrooms, 1 bathroom, a refreshed kitchen with brand-new appliances, and a welcoming living room with a cozy gas fireplace. An additional bedroom on the lower level is separate from the suite, providing even more flexibility. Step outside to the expansive covered sundeck, thoughtfully arranged with dedicated spaces for outdoor dining and soaking up the sun while enjoying beautiful lake and mountain views. The lower-level suite offers 1 bedroom and 1 bathroom, creating comfortable and private additional living space. A covered lower deck with a hot tub, above-ground pool, detached shop, carport, RV hookup, and generous yard complete this versatile West Kelowna property, with plenty of room to relax, entertain, work, and play.
