

3389 Webber Road West Kelowna British Columbia

Glenrosa

\$657,000

This is more than a house—it's the setting for your family's most cherished memories. Imagine standing on your front porch, waving as your kids walk safely across the street for their first day at Glenrosa Elementary. Years later, they'll catch their first bus from the stop right out front, a new adventure beginning just steps away. Mornings are a special event on the deck, where you can watch the sunrise over Glen Canyon Regional Park, your own private backyard oasis. It's a peaceful retreat where you can unwind. Inside, the home is designed for family life, with three spacious bedrooms and an attached garage that includes a workbench and 220V plug for all your projects. The fully fenced yard is perfect for your dogs to run free, raise your own chickens and enjoy fresh, homegrown eggs every morning with your very own chicken coop. With ample parking for friends and family, this home is ready for gatherings, laughter, and a lifetime of shared experiences. This isn't just a place to live; it's the start of your family's beautiful new story. (id:6769)
