South Fort

\$649,900

Step into space, style, and versatility in this beautifully designed 2-storey home in South Fort. The fully developed, soundproofed in-law suite with separate entrance is ideal for multi-generational living. Each floor features 9ft ceilings, enhancing the open and airy feel. The main floor showcases open-to-above ceilings, electric fireplace, and a warm kitchen with rich wood accents, generous prep space, and a walk-through pantry to a mudroom with built-in cubbies. A dedicated office and 2pc bathroom add function. Upstairs offers bonus room, upper laundry, private primary retreat with coffered ceilings, walk-through closet, 5pc ensuite, plus 2 additional bedrooms and full bath. Enjoy a south-facing backyard with two-tier composite deck and WiFi sprinkler. Additional highlights include a heated double attached garage and energy-efficient tankless water heater. (jd:6769)
