

3430 Silverberry Road Kelowna British Columbia

Lower Mission

\$809,900

Welcome to this renovated no-step rancher in highly desirable Lower Mission. Offering 3 bedrooms and 2 bathrooms makes it perfect for families, Retirees & Couples. The stunning kitchen is designed for everyday living and entertaining, featuring granite countertops, a large island with prep sink, premium stainless steel appliances, and professional-grade 6-burner Jade gas range. Extensive cabinetry, abundant storage and under-cabinet lighting complete the space. Vinyl plank and tile throughout creates easy to clean flooring for pets & kids. Features Hunter Douglas blinds, 2017 heat pump/A.C. Step outside to your private backyard retreat that is fully fenced, low-maintenance, brick patio, pergola, outdoor kitchen with natural gas BBQ/power/light and hose hookup for sink, relaxing hot tub, and tranquil rock waterfall feature. Additional highlights include a spacious 4.5-foot crawl space, providing ample storage. Attached double garage in insulated with side door access to yard. Ideally located just minutes from Okanagan Lake, Gyro Beach Park, H2O Adventure + Fitness Centre, shopping, restaurants, and everyday amenities, this exceptional property offers the perfect blend of lifestyle, convenience, and outdoor living. Investors & Developers: MF1 is a flexible multi-family zoning designation for ground-oriented, small-scale multiplexes & infill developments (up to 4-6 units). All...
