Windermere

\$889,000

Custom built by Kimberly Homes in the heart of Windermere! Nearly 2,700 sq.ft of thoughtfully designed living space w/ stunning vaulted ceilings, exposed beams & elegant hardwood floors. Main floor is flooded w/ natural light from south facing windows. Chef inspired kitchen features granite countertops, s/s appliances including a gas stove, & convenient walk-through pantry. Spacious living room w/ a gas fireplace, perfect for cozy nights in, while the formal dining room & breakfast nook give plenty of space for entertaining. A main floor office, half bath & laundry complete the level. Upstairs, you'll find a large bonus room w/ vaulted ceilings open to below, a spacious primary retreat w/ a spa-like 5pc ensuite & w/i closet, along w/ 2 additional bedrooms & a 4pc bath. Grand concrete covered porch. Stay cool all summer with A/C & step outside to a beautifully maintained backyard featuring a composite deck w/ gas line. Oversized 23x21 garage. Steps to walking trails and all amenities. Don't miss this one! (id:6769)
