

3450 Shayler Road Kelowna British Columbia

McKinley Landing

\$1,899,800

Welcome to your Okanagan retreat, where breathtaking lake views greet you every day. If you're seeking a lifestyle that combines ease & elegance, this custom-built home by the highly regarded Mullins Design is perfect. Designed for both everyday comfort & effortless entertaining, it's a space where you can truly relax & enjoy life. Lavish finishing encompasses the entire home: walnut floors, 8-foot solid doors, superior soundproofing, LeGrand lighting system, concrete accent walls & steel railings. Lock & leave home, with over 4,200 square feet with an excellent floor plan including a self-sufficient suite- the options are endless. A chef will be impressed by the spacious gourmet kitchen & its appliance package meanwhile, the thoughtful design and architectural detail throughout will captivate those with an eye for excellence. The primary is positioned for staggering lake views & a luxurious 5-piece ensuite & walk-in closet. From the primary suite, step out onto the covered patio to soak in the tranquility of the lake. The lower level includes a large family room, 2 bedrooms & a 600 sq. ft. legal suite. Have you always wanted a golf simulator? The lower level also includes a 672 sq.ft. unfinished space with 10-foot ceilings. Lower maintenance yard with the capacity to add a pool, if desired. Oversized 2-car garage with a 220V car outlet. Residents of this community enjoy ac...
