

**3454 HART HWY & 2201, 2178, 2157 SHADY Lane Prince George British Columbia**

**\$1,590,000**

The possibilities are endless with 4 houses and a motel as one package. The 15 room motel is rented by the room to long-term tenants and each house is also rented. Re-develop or keep this cash flowing asset running as it is. Fantastic property manager in place. (id:6769)
