INVESTORS ALERT! Renovated rancher with 2 bedrooms on the main level and a 2 bedroom walkout suite in the basement, situated on a massive, private .24 acre, corner lot completely surrounded by tall cedars. The house has all new flooring, vanities, countertops, and backsplash, as well as new stainless steel appliances in the suite. On the main level, there is a corner gas fireplace next to French doors that open onto the expansive enclosed deck with sliding windows.
