

3563 Goldie Way West Kelowna British Columbia

Glenrosa

\$679,900

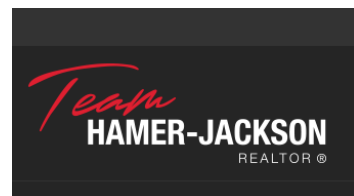

Perched on a premium hillside with breathtaking, panoramic views of Okanagan Lake, this walkout rancher home is approximately 40% complete. With excavation, foundation, and framing already done, you can bypass months of prep work and step straight into completing this project. Once finished, this impressive multi-level residence will span over 4,000 square feet with 5 bedrooms, 5 bathrooms and include a self-contained suite--ideal as a high-end mortgage helper or for extended family. This is an exceptional opportunity for a builder, investor, or visionary homeowner! The property is being sold AS-IS WHERE-IS. All dimensions are based on the architectural plans. (id:6769)
