

## 359 Uplands Drive Kelowna British Columbia

Upper Mission

**\$2,195,000**

Stunning San Marc built home in an established Upper Mission neighborhood. This thoughtfully designed, spacious home is perfect for a large family or those who enjoy entertaining. The main level features a home office, a formal living and dining area, and off the kitchen, a cozy breakfast nook and family room. The gourmet kitchen offers an oversized center island, granite countertops, custom cabinets, professional appliances, a cold room, and a convenient built-in office space. Step outside into your private outdoor paradise, with a concrete patio, a saltwater pool, and lush, mature landscaping creating a serene retreat. This is the ideal setting to enjoy Okanagan summer living. The primary suite includes a private seating area overlooking the pool, a spa like ensuite, and a custom walk-in closet. The upper level offers two more bedrooms with a shared bath, perfect for family or guests. The lower level is perfect for entertaining, with a spacious rec room large enough for a pool table, a wet bar for social gatherings, and space for a home gym. The property also boasts a 3-car garage plus a large, separate attached garage designed for your RV or boat, or ready for your golf simulator! This is an excellent opportunity to own a well-appointed home that combines luxury and functionality in a coveted location. (id:6769)
