

361 Quilchena Drive Kelowna British Columbia

Kettle Valley

\$1,399,900

Backing onto Quilchena Park, this Kettle Valley home offers the family-friendly setting that makes this neighbourhood so special. The private, east-facing backyard is made for Okanagan living, with a heated in-ground pool, hot tub, covered patio, garden space and shed--plus direct park access. Enjoy morning sun without the intense late-day western heat, while the park becomes an extension of your backyard with a playground, splash park, field and tennis/pickleball court. Inside, the layout gives everyone room to spread out. Upstairs are three bedrooms, including a spacious primary with walk-in closet and ensuite, plus a full shared bathroom, laundry, a second home-office area and an open bonus/play space for kids. The main floor offers a dedicated office room with its own exterior entrance--perfect for working from home--along with a powder room and welcoming living spaces. The kitchen features quartz countertops and an updated backsplash, while oversized sliding glass doors connect the living area to the covered patio and pool. A double garage with EV-charging capability, front patio and backyard privacy complete the home. Walk to Chute Lake Elementary and neighbourhood favourites along Main Street, including Kettle Valley Scoops, pizza and the local pub, with school bus service to Canyon Falls Middle School and OKM Secondary. Surrounded by parks, pathways and trails, this ...
