Lower Mission

\$2,799,000

5,900 square foot 2017-built residence in Central Kelowna, offering nine bedrooms and an office/den, nine bathrooms, a three bedroom suite, and 0.95 acres of completely flat and usable land. The residence itself offers six bedrooms for the primary living space, and the three bedroom suite is rented, offering stable income towards your mortgage, or would be perfect for family, friends, or guests. There is a master on the main, as well as the layout upstairs lending itself perfectly to a large family, offering five distinct bedrooms serviced by four bathrooms. The oversized four car garage has recently been upgraded with epoxy floors. The finishes on this home are superb, with attention to detail throughout. The extensive archways, ceiling details, pillars, cabinetry, and layout all show the substantial investment that went into curating this residence. The kitchen was renovated, with the unique granite wrapping up the walls to create a fluid backsplash, and stainless steel appliances. Upstairs, the luxurious master suite features a substantial walk-in closet and a five-piece ensuite that includes extensive tilework and a raised free-standing tub. The grounds include plenty of yard space, garden space, and nearly unlimited parking for your toys, equipment, and more, and are complemented by a fire pit, gazebo area, and a large detached shed area (currently tenanted).
